The Big Roast
& other food

Footpath to
Balsam
Centre
through car
park.

This is a lovely town, and the people amongst the nicest I have ever had the pleasure of drinking with. They also are discretely chuffed at being part of the DISCWORD landscape, well most of them anyway. So as ever we are out to extract money from you for local charities. its our way of saying thank you. Therefore ...

This Hogswatch there will be a team of dedicated beggars grovelling for your loose change (if its not loose, then they are equipped with crowbars) this and the proceeds from the Charity Auction and Treasure Trail is going to help towards building a SKATE BOARD PARK for the youngsters of the town.

Local, District & County Councils have put money/land/resources into the project, but there is a shortfall of a couple of grand, So we are planning to help.

The Balsam Centre is a registered Charity, and does a herculean job in, amongst other things, looking after handicapped youngsters in the area. They will be running a RAFFLE, so get some of that.

A local Primary School needs a helping hand with a piece of educational equipment, so ONE special item will be auctioned on the Saturday Night in THE BEAR.

There will be a Grand Treasure Trail in the Town Center this weekend.

Entry will cost but £1.00 and there will be a rather splendid prize for the first correct answer pulled out of the hat on Sunday afternoon.

To get your entry form go the Cunning Artificers and see the

Treasure Trail Monitor.

We hope you all have a splendid time, thank you for making it possible, and a merry Hogswatch to you all, I & b
