* Badges and Awards Booklet

This is effectively your voucher for activities. You will need to present it in order to have a go and then get the appropriate activity symbol signed off by the person supervising when you have completed the task. They will give you a sticky badge for free but if you wish to have a more permanent record of your prowess then bring your signed off award book to registration where you may buy a button badge for just £1 (or less if you buy lots). There is a special voucher which you will need to present if you wish to avail yourself of the chance to make a woven rush woggle with the help of John Excel on Sunday.

*The Ankh Morpork National Anthem will be sung at the Opening Ceremony so remember to bring along your postcard with the words on.

*Balloon Label

Complete your name and address in the appropriate place and return the label to registration. This is important if you wish to take part in the great balloon race.

Balloons will be inflated and released on Sunday afternoon.

There will be a prize for the balloon that travels the furthest distance.

The purchaser of every released balloon that is returned to us will have the label sent on to them with a special Airmail stamp and Frank.

This could be a very rare stamp.
