ANKH-MORPORK POST OFFICE IN CONJUNCTION WITH THE PROFESSORS OF APPLIED ASTOLOGY AND VINDICTIVE ASTRONOMY OF UNSEEN UNIVERSITY & THE ARCH-ASTROLOGER OF KRULL, PRESENT THE CHIEF SIGNS OF EACH OF THE THIRTEEN HOUSES OF THE CURRENT ZODIAC.

Please note: The Official Zodiac [i]is[/i] subject to change. Owing to the Turtle's progress we do, in fact move with the times. Stars appear ahead and fall behind and thus new constellations & celestial anomalies can be defined.

The Official Zodiac MUST be adhered to by all astrologers, though it is entirely the responsibility of the individual to keep the signs up to date. [i]As we begin to bid farewell to the Celestial Parsnip and Fork of Cheese those born under these stars should consult their family astrologer about transferring to a new constellation. It is never too late to take your future in your hands, but do shop around as there are always bargains to be had, particularly among some of the less auspicious constellations.[/i]

PRINTED IN ANKH-MORPORK BY TEEMER & SPOLS IN THE YEAR OF THE MORIBUND AARDVARK.

The structure of sheet combines the stamp with an attachment describing the star featured in the stamp.

The text normally in the selvage is printed in the bottom three-quarters of the sheet.
