

The Golden Cabbage

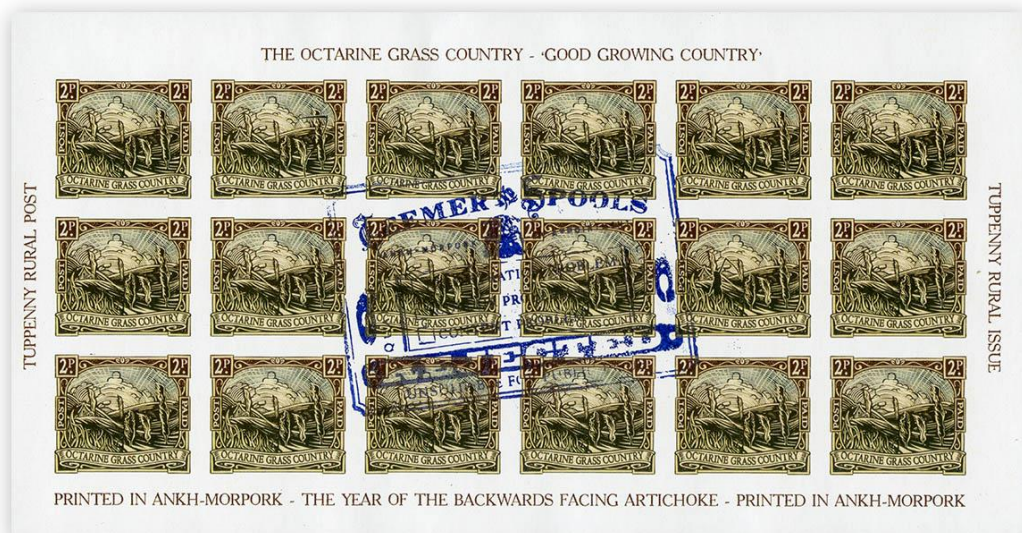

The highest reward available to those brave few who partake in our Green Cabbage Trading Scheme. Becoming a member of the 'Gold Cabbage club' affords you the admiration of your peers and doubtless the consideration of many nubile young men/women. This is the highest valued Green Cabbage Trading Scheme item ever offered - for 100 GCTS stamps you will receive a single, solitary example of the Golden Edition Green Cabbage Stamp along with a certificate of authenticity signed by Bernard 'The Cunning Artificer' Pearson. When applying for your Golden Cabbage Stamp please provide us with the name you wish to appear on the certificate to denote the Golden Cabbages original owner - take care with spelling as any mistake may result in you having to change your name.

Octarine Grass Country Double Sport Reject Sheet

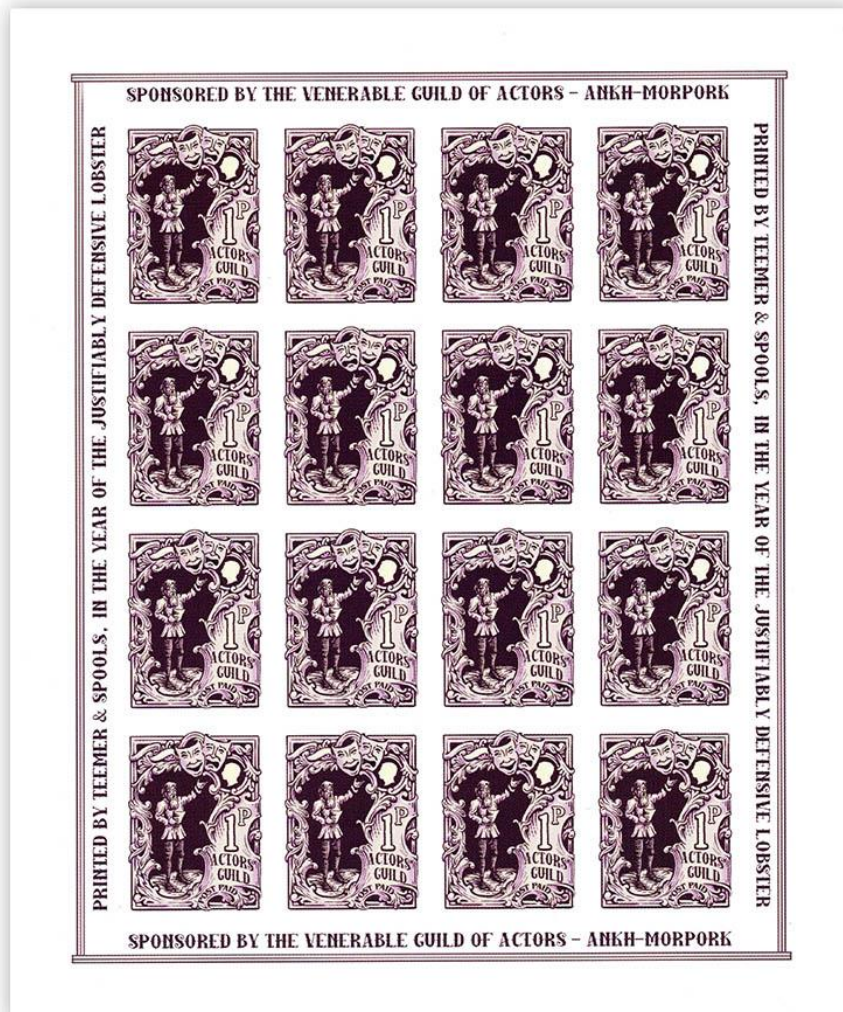

Due to a quirk of quantum at the printing press, this erroneous sheet includes two different sports! Along with the usual 'Death' variant, a mysterious floating scythe has manifested in the field. Each sheet is unperfed and cancelled with the Teemer & Spools 'Rejected' stamp.

The Actors' Guild Forgotten Penny

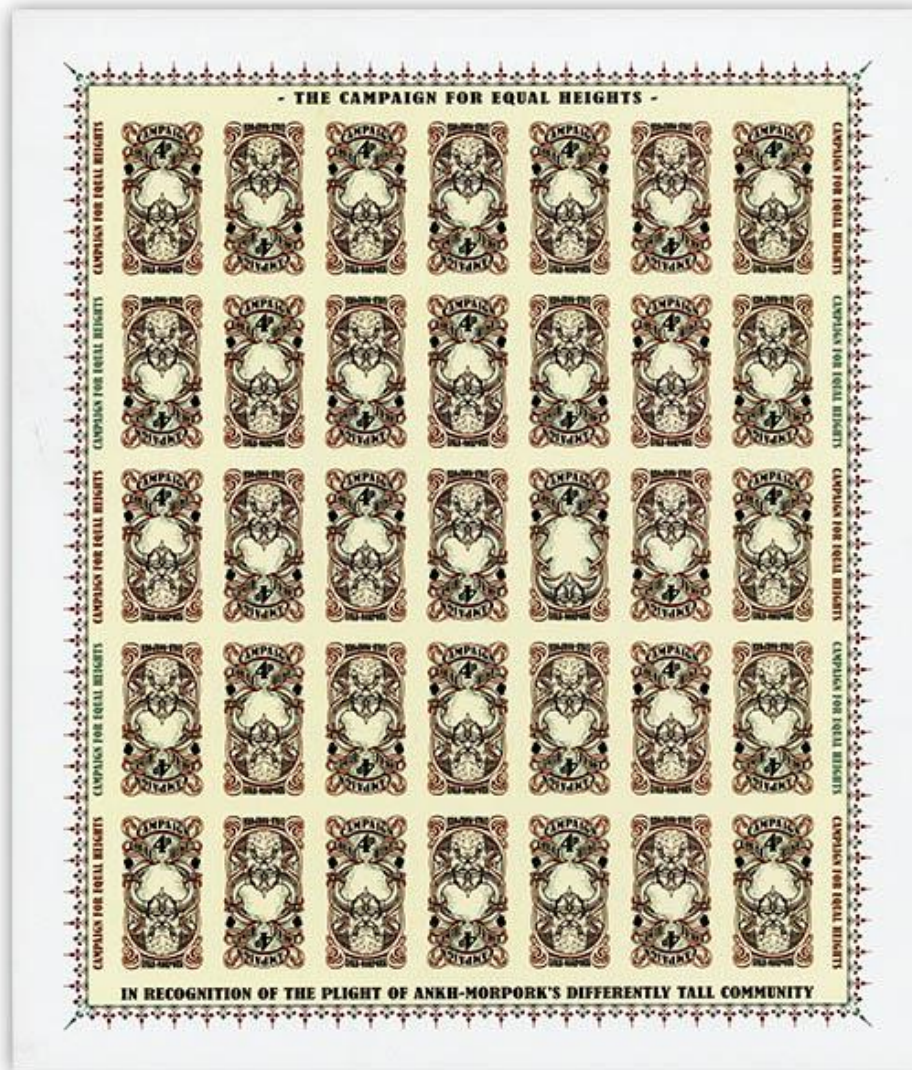

It may surprise you to learn that our Emporium designers are not the most organised people in the multiverse. Long ago, this glorious little stamp was designed, approved, printed and stored away in a 'safe place', there it lay, undisturbed and forgotten for over a year. Printed for The Year of The Justifiably Defensive Lobster, The Actors' Guild Penny missed it's moment in the limelight. We therefore humbly present a sheet of these forlorn mummies, printed on our stamp paper, but left imperforate, as the stamp that never happened. A little curio for your collection.

Available for 50 Green Cabbage Stamps.

The Campaign for Equal Heights 4p Sheet

Another little stamp that never was from the Campaign for Equal Heights, a charity issue in recognition of Ankh-Morpork's differently tall community. This imperforate sheet is exclusive to the GCTS!
