\$1 Tower of Art Common	Depicting the Unseen University Tower of Art amid its scholastic environment. A most unusual stamp with reports of transfiguration within the engraving. The TOA has been printed in at least three separate runs. The first run can be distinguished most easily by the lack of any printing on the selvage (the edges of the sheet) while the second version does have printing. The latest print run includes the new sports and has an upside down falling man in the picture in the gutter The left side of the gutter reads: ANKH-MORPORK ~ THE YEAR OF THE PRAWN while the right side reads: TEEMER & SPOOLS · TOWER OF ART ~ ONE DOLLAR.	20*100	Bath perfs (12/2cm) Wincanton perfs (10/2cm)	Unlimited

\$1 Tower of Art Splash (New)	Again similar to the original splash, except the splash is of a different shape and size. It is also slightly closer to the shore.	20*100	Bath perfs (12/2cm) Wincanton perfs (10/2cm)	Produced to maintain LB ratio.
Assassins 3p	Also known as the Thrupn'y Resurrection. A rich blue and purple, on white body paper. Gummed.	37*42	Wincanton perfs (10/2cm)	Unlimited
Assassins 3p ungummed	As above, except issued ungummed following some unfortunate incidents and a funeral.	37*42	Wincanton perfs (10/2cm)	The first 1500 produced were ungummed.
Assassins Post Paid	Also known as the Thrupn'y Dreadful or Zombie stamp. Again a rich blue and purple on a white dead body paper. Reverse features a yellow backing carrying a red skull and crossbones.	37*42	Wincanton perfs (10/2cm)	2000, 1 in 40 LBEs. Always found in a bag or wrapper.

Assassins Post Paid (White back)	As above, except tail of the vine near the dagger is missing. Oh, and the back is also plain white. Originally found in some Hogswatch FDCs.	37*42	Wincanton perfs (10/2cm)	40 produced, of which 10 escaped in Hogswatch FDCs.
Merchant Farthing	Sponsored by the Candlewick Makers and Oil Men. It is maroon on a cream body, and of a diamond shape, featuring the Guild shield with ship, cockerel, bulls head and purse, centred by an owl on an Ankh.	25*25	Wincanton perfs (10/2cm)	Unlimited

Merchant Penny Farthing	Sponsored by the Grocers and Purveyors of Dry Goods. An umber stamp on a cream body, featuring barrels and sacks of named goods. The stamp value is featured in cartouches on lower left and right.	25*37	Wincanton perfs (10/2cm)	Unlimited
Merchant Penny Farthing (sport)	A variant of the above. The value in the cartouches is missing its p suffix (" 1 ¼" rather than " 1 ¼ p").	25*37	Wincanton perfs (10/2cm)	1 in the sheet of 49.
Merchant Three Pence	Sponsored by the Fishmongers. Surprisingly enough, features fish. Has "three pence" along the bottom, with "3p" in cartouches in the lower left and right corners.	25*37	Wincanton perfs (10/2cm)	Unlimited

55 Brass Bridge (Blue Triangle)	Triangular in shape, with an empire blue base tint giving way to octarine hints. Central design of the famous Brass Bridge over the River Ankh, on which can be seen a wizard, watchman, small boy and an assassin. Patrician in profile to the right, facing left.	48*25	Bath perfs (12/2cm) Wincanton perfs (10/2cm)	490, in LBEs only
\$5 Brass Bridge	As above, except the head of the Patrician is upside	48*25	Bath perfs (12/2cm)	10 exist
(Bide Triangie Sport)	down.		windation peris (10/2011)	
50p Cabbage Green	A special brassica edition showing the verdiant glory of the Sto Plains. Patrician opposite a cabbage rampant (plaque).	30*35	Machine perfs (13.5/2cm)	On Waterstones cover, mint stamp was also giver away in Journal #2 and GOFAD newsletter.
Skunk Stamp	A variant of the 50p cabbage green, "perfumed" with the scent of cabbage by pTerry himself (aided and assisted by Rob and Bernard). Hopefully still to be found in their sealed jars with City Watch forensic department seal and evidence label.	30*35	Machine perfs (13.5/2cm)	20 produced, 3 believed currently in circulation.

Green Cabbage Trading Stamp	Image of a cabbage in white on a green shield- shaped background on yellow rays. For the oldies amongst you, it bears an odd resemblance to a Green Shield Trading Stamp (odd that, isn't it?).	22*30	Wincanton perfs (10/2cm)	By redemption of commor stamps.
\$5 Merchants Guild Special	Regarded as a promissory note against Guild funds. Features a sepia picture of Ankh-Morpork docks. Also features the Guild shield.	32*62	Wincanton perfs (10/2cm)	Unlimited. Not found in LBEs.
